Students serve in a full- or part-time supervised field position in business administration or computer
information systems, in a public or private organization. Students are expected to demonstrate and
contribute acquired knowledge and skills to the organization, and be exposed to more than routine, entry-
level, or part-time staff business operations. Students should arrange for this class during the semester
prior to the internship. Students may register for only one business administration or computer information
systems internship during their BSU academic career. Upon completion, students will be required to report
on their experience (daily journal and final comprehensive paper). The department recommends that
students return to BSU for at least one semester upon internship completion. Graded
