A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: *.

Lab Hours/Week: *.

OJT Hours/Week: *.

Prerequisites: None

Corequisites: None

MnTC Goals: None

Introduction to issues of human diversity relevant to counseling professionals. Explores the impact of differences in communication, values, social structures, and sense of personal identity; issues of discrimination, stereotyping, and lack of awareness of differences; research and theory relevant to multicultural practices; institutionalized practices that discriminate based on ethnic, cultural, gender, and physical differences; and institutionalized practices that attempt to decrease such discrimination. Students will apply this information to their own counseling experiences.
