SPAN 4430: Spanish Linguistics

A. COURSE DESCRIPTION
   Credits: 3
   Lecture Hours/Week: 0
   Lab Hours/Week: 0
   OJT Hours/Week: *.*
   Prerequisites: None
   Corequisites: None
   MnTC Goals: None

   This course describes and analyzes the components of the Spanish linguistic system including the sounds of Spanish (phonetics and phonology), word formation (morphology), sentence structure, and word order (syntax). This course discusses key concepts of language use by studying the regional and social variations of Spanish (dialecology and sociolinguistics), the evolution of the Spanish language, and the use of Spanish in context (pragmatics). This class is conducted in Spanish. Prerequisite(s): SPAN 3311 or SPAN 3312 or consent from instructor.
