Bemidji State University

ENVR 6700: Graduate Sustainability Seminar

A. COURSE DESCRIPTION

Credits: 1,2,3
Lecture Hours/Week: 0
Lab Hours/Week: 0
OJT Hours/Week: *.*
Prerequisites: None
Corequisites: None
MnTC Goals: None
This course exposes graduate students to a range of topics within environmental studies from a sustainability perspective. In a seminar format, students will discuss environmental problems in a deeper context and present progress reports on their thesis research and projects. Faculty and guests will make presentations for students to discuss. Students may enroll for up to 6 credits.

B. COURSE EFFECTIVE DATES: 08/15/2020 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Determined based on seminar topic.

D. LEARNING OUTCOMES (General)

1. develop a better understanding of environmental concepts related to and beyond those covered by their research.
2. make professional-level presentations focused on current status of their research and project work related to concepts covered in the course.
3. write 2-5 summary short papers integrating concepts covered in the seminar course.
4. critique papers and presentations made by other students in the course.
