Lecture Hours/Week: 0
Lab Hours/Week: 0
OJT Hours/Week: *.*
Prerequisites: None
Corequisites: None
MnTC Goals: None

This course combines scholarly knowledge and experiential learning with an emphasis on process. The content examines the use of contemplative practices (e.g., journaling, mindfulness, movement, art, listening) for professional and personal self-awareness, interventions, ethical practice, resilience, and self-care. Additional course content includes the intersection of contemplative practices and the core social work values of dignity, relationships, service, social justice, integrity, and competence. Opportunities for contemplative practices and for understanding its value in relation to social work practice are an integral part of the course. Prerequisite(s): Junior, Senior or instructor approval.
