

Minnesota State University Moorhead

HSAD 471: Domains of Practice Practicum

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 3

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites:

This course requires the following prerequisite
HSAD 421 - Long Term Care Administration

Corequisites: None

MnTC Goals: None

The practicum is designed to provide students with valuable real-world experience in long term care, generally with local providers. Students receive academic credit for work of significant practical value to the sponsoring facility and the intern, performed under the supervision of the Health Services Administration faculty. This practicum prepares students for the national examination.

B. COURSE EFFECTIVE DATES: 02/27/2014 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. Analyze completed audit data from host sites.
2. Collaborate with long term care administrators in day-to-day activities in host sites.
3. Integrate domains into day-to-day operations in long term care facilities.
4. Participate in administration level staff meetings.
5. Participate in auditing processes in long term care facilities.
6. Prepare for the National Examination for Nursing Home administrators.
7. Summarize activities of internship in an APA formatted paper.
