

Inver Hills Community College

PHED 2213: Geocaching

A. COURSE DESCRIPTION

Credits: 1

Lecture Hours/Week: *.*

Lab Hours/Week: 1

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

Provides instruction and expertise related to the use of the internet and a GPS unit to find and seek a geocache. Course content includes the origins of geocaching, the various types of geocaches, choosing an appropriate geocache, interacting with the geocaching website, hiding and seeking a geocache, logging your experience online after the geocache hunt is complete, safety concerns, and setting up an appropriate geocache hunt. Students will be required to walk and hike to locate geocaches during the term. Students must have access to a GPS device or Smartphone with an appropriate application for locating geocaches (available free online).

B. COURSE EFFECTIVE DATES: 08/27/2012 - Present
