

Inver Hills Community College

ITC 2189: Information Technology Careers Internship

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 0

Lab Hours/Week: 3

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

Provides a supervised work experience utilizing and extending the skills learned in ITC Information Technology Careers courses. The experience is intended to result in new learning and increased capabilities for the intern and the completion of authentic work for the sponsoring organization. Internships may be arranged upon the mutual agreement of the student, instructor and sponsoring organization. Internship depends on student qualifications and a successful interview for a particular position. Interns are required to abide by all policies governing employees and meet expectations of regular employment. Prereq: Permission of instructor, available position, approval of sponsor.

B. COURSE EFFECTIVE DATES: 08/26/2013 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Specific topics are based on needs of sponsor and learning objectives of the student. 100%

D. LEARNING OUTCOMES (General)

1. Develop a learning plan with specific objectives based on the role and duties of the defined position
2. Evaluate their performance on the job and identify areas of strength and opportunities for improvement
3. Relate how classroom-based learning was applied in fulfilling the responsibilities encountered on the job
4. Specify new learning or enhanced skill sets that were acquired during the work experience
