IDES 2660: Large Commercial Studio

A. COURSE DESCRIPTION

   Credits: 3
   Lecture Hours/Week: 3
   Lab Hours/Week: *
   OJT Hours/Week: *

   Prerequisites:
   This course requires the following prerequisite
   IDES 1654 - Small Commercial Studio (Number of Years Valid: 5)

   Corequisites: None

   MnTC Goals: None

   The concept of this course is to teach learners to research, analyze, and develop design projects on a large scale in a variety of possible areas such as hospitality, casinos, restaurants, lodging, medical facilities, retail, and office. In addition to the practical information in regard to codes, health regulations, and guidelines for the specific facilities, the learner explores typical and atypical designs and trends. Adherence to ADA guidelines and appropriate codes provide realistic project constraints. Prerequisite: IDES1654.

B. COURSE EFFECTIVE DATES: 06/01/2000 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

   1. Programming.
   2. Space planning.
   3. American with Disabilities Act (ADA).
   5. Commercial furniture specifications.
   6. Commercial interior finishes.
   8. Restaurant interiors.

D. LEARNING OUTCOMES (General)

   1. The learner will develop and apply programming for one segment of the contract industry.
   2. The learner will develop floor plans that are industry appropriate incorporating research findings.
   3. The learner will design, specify, and present the solution to interior furnishes and finishes for selected segments of the contract industry.

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies
   None

F. LEARNER OUTCOMES ASSESSMENT

   As noted on course syllabus

G. SPECIAL INFORMATION

   None noted
