MDAD 1259: Residential Architectural Drawing

A. COURSE DESCRIPTION

Credits: 3
Lecture Hours/Week: 3
Lab Hours/Week: *
OJT Hours/Week: *

Prerequisites:
This course requires both of these prerequisites
  MDAD 1204 - Autocad
  MDAD 1250 - Print Reading for CAD Design

Corequisites: None
MnTC Goals: None

This course is for the beginner student who wants to create their own set of architectural prints or gain a basic competence in drawing architectural prints. This is an elective course that focuses on using CAD software to create the basic plans essential to drawing common residential drawings. The student will complete a set of residential architectural prints. Special note: The student is required to purchase a student version of software appropriate to complete the Residential Architectural Drawings required in this course. (Prerequisites: MDAD1204 and MDAD1250) (3 credits: 3 lecture/0 lab)
