BMET 2225: Clinical Internship

A. COURSE DESCRIPTION

  Credits: 3
  Lecture Hours/Week: *.*
  Lab Hours/Week: *.*
  OJT Hours/Week: 9
  Prerequisites: None
  Corequisites: None
  MnTC Goals: None

  This course introduces the student to an on-site learning experience as a biomedical equipment technician. The student will be assigned to a Health Care Facility or Medical Equipment repair company. Supervision of the intern is shared by a biomedical technician, or facility supervisor and a college faculty member. This course gives the students an opportunity to develop the practical skills necessary to work individually or in a group in a professional hospital setting. (Prerequisite: BMET2221, BMET2222, and ELEC1500)(Prerequisite and concurrent: BMET2223, BMET2224, and ELEC2500) (3 Credit: 0 Lect. / Pres, 0 Lab, 3 OTJ)

B. COURSE EFFECTIVE DATES: 12/18/2015 - Present

C. OUTLINE OF MAJOR CONTENT AREAS
