HLTH 1098: Nursing Assistant

A. COURSE DESCRIPTION

   Credits: 3
   Lecture Hours/Week: 1
   Lab Hours/Week: 4
   OJT Hours/Week: *.*
   Prerequisites: None
   Corequisites: None
   MnTC Goals: None

   This 80-hour, 3 credit course develops skills, attitudes and knowledge essential for direct and supportive care in long-term care facilities. Class meets OBRA requirements and MN Board of Nursing standards. Skills are demonstrated in supervised laboratory setting. This is a prerequisite for incoming PN students. Note: Dependent on which location you choose, the labs will be done at that campus. The 80-hour MN Nursing Assistant class and being placed on the MN Registry does not qualify Nurse Aides to work in WI. (Prerequisites: none) (3 credits: 1 lecture/2 lab)

B. COURSE EFFECTIVE DATES: 07/27/2016 - Present

C. OUTLINE OF MAJOR CONTENT AREAS
