A. COURSE DESCRIPTION

Credits: 1
Lecture Hours/Week: 1
Lab Hours/Week: *.*
OJT Hours/Week: *.*
Prerequisites: None
Corequisites: None
MnTC Goals: None

Introduction to outdoor activities is based around a student’s current health and personal wellness goals. Based on a health assessment and introduction to local resources students will identify achievable goals for experiencing the outdoors and improving health. This will expand students knowledge of Southeast Minnesota’s parks, trails, waterways, and local produce all while promoting group relations, leaving students with a network of fitness and wellness peers. (Prerequisite: none) (1 credit: 1 lecture/0 lab)

B. COURSE EFFECTIVE DATES: 02/02/2017 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Assess personal health
