CHCA 1230: Guidance: Managing the Physical & Social Environment

A. COURSE DESCRIPTION

Credits: 4
Lecture Hours/Week: 3
Lab Hours/Week: 1
OJT Hours/Week: *
Prerequisites: None
Corequisites: None
MnTC Goals: None

This course provides an exploration of the physical and social environments that promote learning and development for young children. It includes an introduction to basic child guidance techniques for individual and group situations. Emphasis is on problem prevention and positive guidance strategies, recognition, communication, limit setting, problem solving, and behavior modification. Students apply their knowledge of the environment's role in an actual work setting.
