Internship is a supervised student occupational experience (SOE) at an approved employment training station. Forty-eight hours of SOE are required for each internship credit. The working situation is consistent with the student's career goals and program objectives. The internship provides students the opportunity to experience full-time (30 hours per week or greater), paid, business and industry entry level, training related student occupational work experience, while simultaneously having the advantage of being supervised by a program instructor/coordinator. Any modifications to this internship policy must be endorsed by the program advisor and approved by Academic Affairs. Prerequisite: MKTG1515, MKTG1525, and a minimum cumulative GPA of 2.00.
