MnTC Goals: Goal 05 - Hist/Soc/Behav Sci, Goal 09 - Ethical/Civic Resp

This course meets Minnesota Transfer Curriculum (MnTC) goal areas 5 and 9. The Simpsons, Rihanna, Cosmo. How do you know if something is "popular"? Furthermore, why should we care about the nature of popular culture in our society? Understanding popular culture might be a bit like seeing the forest through the trees because we are significantly immersed in it every day. This course examines the role of popular culture from a sociological perspective. We will examine the dynamics of how popular culture impacts how we live our lives and interact in society. By the end of this course you will have examined how popular culture is ubiquitous and how it influences race, gender, social class, economy and globalization.
