LEGL 1614: Estates, Probate, & Real Estate

A. COURSE DESCRIPTION

Credits: 3
Lecture Hours/Week: 1
Lab Hours/Week: 4
OJT Hours/Week: *.*
Prerequisites: None
Corequisites: None
MnTC Goals: None

This course introduces students to the basic substantive law and procedural law of estate planning and probate including the goals and options of estate planning; it also provides an overview of post-mortem estate administration. Students examine the process of administering a decedent's estate, from opening the estate and appointment of a fiduciary to filing of the final account and distribution of assets. Learners also develop substantive and procedural knowledge necessary to identify types of real estate descriptions and, given a real estate description, identify a land parcel. The learner examines and prepares documents relevant to land acquisition including purchase agreements, title opinions, deeds, well disclosure statements, certificates of real estate value, and closing documents. The course briefly examines quiet title actions and the Minnesota foreclosure process. Prerequisite: Strongly recommend prior completion of ADMN1513, LEGL1601 and LEGL1602.
