A. COURSE DESCRIPTION

Credits: 3
Lecture Hours/Week: 1
Lab Hours/Week: 2
OJT Hours/Week: *
Prerequisites: None
Corequisites: None
MnTC Goals: None

This course provides instruction in the concepts and techniques of physical exercise and training to further improve physical ability and build on the ability to work with others in team activities. This course teaches the ability and confidence to cope with physical situations that may confront peace officers and to appropriately and effectively react to physical confrontations. The course exposes learners to the basic factors of exercise; types of exercise; and their frequency, duration, and intensity.
