Alexandria Technical and Community College

PTE 2515: Traffic Stops

A. COURSE DESCRIPTION

Credits: 3
Lecture Hours/Week: 2
Lab Hours/Week: 2
OJT Hours/Week: *.*

Prerequisites:
This course requires either of these prerequisites
PTE 2608 - Highway Safety/Accident Investigation (Number of Years Valid: 5)
LENF 2608 - Highway Safety/Accident Investigation (Number of Years Valid: 5)

Corequisites: None
MnTC Goals: None

This course includes lecture and lab exercises. The lecture sessions introduce the students to proper traffic stop procedures and will serve as a review in the application of state traffic statute. The lectures prepare the students to participate in weekly lab exercises that include motor vehicle traffic stops dealing with the week's lecture issues. The students conduct traffic stops, apply verbal and written warnings, and complete traffic citations. The course also emphasizes interviewing and human relations skills. All simulated traffic stops are based upon a reasonable, articulable basis.

B. COURSE EFFECTIVE DATES: 10/16/2023 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Knowledge of the application of Minnesota state statute chapters 169 and 169A, 171, 168, and 168A.
