BHHS 1510: Human Services Professional Practices

A. COURSE DESCRIPTION

   Credits: 3
   Lecture Hours/Week: 3
   Lab Hours/Week: 0
   OJT Hours/Week: *
   Prerequisites: None
   Corequisites: None
   MnTC Goals: None

   This course is designed to develop a beginning awareness and understanding of the range of social and human services, and the knowledge and skills necessary for responding to such needs. Students will identify and expand on professional behaviors in an environment that requires collaboration built on deeply rooted trust and respect. Course will focus on the roles and responsibilities that behavioral health/human services workers play in the field. Students will identify and practice the skills necessary for generalist behavioral health and human services practice.

B. COURSE EFFECTIVE DATES: 04/17/2024 - Present
