A. COURSE DESCRIPTION

Credits: 1
Lecture Hours/Week: 1
Lab Hours/Week: *.*
OJT Hours/Week: *.*
Prerequisites: None
Corequisites: None
MnTC Goals: None

This course prepares students to perform advanced face and head massage techniques that can be incorporated into a spa, beauty salon or private practice setting. Emphasis will be placed on massage of the scalp, face, and neck. Acupressure points on the face will also be used. This class will prepare each student to set up facial massage sessions which are tailored to the individual client's needs and goals. (Prerequisite: None) (1 credit: 1 lecture/0 lab)

B. COURSE EFFECTIVE DATES: 10/08/2001 - Present
