ECED 1215: Infants and Toddlers

A. COURSE DESCRIPTION

Credits: 2
Lecture Hours/Week: 1
Lab Hours/Week: 2
OJT Hours/Week: *.*

Prerequisites:
This course requires any of these four prerequisite categories
1. Both of these
   - ECED 1220 - Health, Safety, and Nutrition
   - ECED 1207 - Fundamentals of Child Development
   Or
2. Both of these
   - ECED 1105 - Fundamentals of Child Development
   - ECED 1120 - Health, Safety, and Nutrition
   Or
3. Both of these
   - ECED 1207 - Fundamentals of Child Development
   - ECED 1120 - Health, Safety, and Nutrition
   Or
4. Both of these
   - ECED 1220 - Health, Safety, and Nutrition
   - ECED 1105 - Fundamentals of Child Development

Corequisites: None
MnTC Goals: None

Through this course the student will become knowledgeable about the well-being, competence, good developmental outcomes and quality of life of infants, toddlers and their families. Students will be required to participate in a practicum experience working with young children for a portion of the semester/credit hours. Students will be required to observe multiple infant and toddler caregivers.

(Prerequisites: Fundamentals of Child Development and Health, Safety, and Nutrition) (2 credits: 1 lecture, 1 lab)

B. COURSE EFFECTIVE DATES: 05/26/2010 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Prenatal/Infant/Toddler Development
