ECED 2375: Early Childhood Learning

A. COURSE DESCRIPTION

Credits: 3
Lecture Hours/Week: 2
Lab Hours/Week: 2
OJT Hours/Week: *.*

Prerequisites:
This course requires the following prerequisite
   ECED 1225 - Inspiring Play and Active Inquiry

Corequisites: None

MnTC Goals: None

This course provides the learner experience in application and developing curriculum while utilizing effective instructional methods. The course will identify how children develop and learn as well as establish the roles of the family and teacher. Emphasis will be placed on supporting diverse learners and enhancing the learning environment for all learners while supporting active inquiry. Curriculum design and implementation will include math, science, literacy, blocks, dramatic play, toys and games, art, library, discovery, sand and water, music and movement, cooking, computers, and outdoors. Students will be required to participate in a practicum experience working with young children, birth through age eight, for a portion of the semester/credit hours. (Prerequisite: ECED1225) (3 credits: 2 lecture/1 lab)

B. COURSE EFFECTIVE DATES: 05/26/2010 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Develop Curriculum
