**HLTH 1110: Personal Health and Fitness II**

**A. COURSE DESCRIPTION**

Credits: 1  
Lecture Hours/Week: 1  
Lab Hours/Week: *.*  
OJT Hours/Week: *.*

Prerequisites:  
HLTH 1105 - Personal Health & Fitness I; OR  
HLTH 1505 - Personal Health & Fitness I

Corequisites: None

MnTC Goals: None

This course focuses on the implementation of an individualized physical fitness program. Through testing and self-assessments, the student's current status is analyzed. The student will then develop an exercise program that would facilitate a personal fitness plan. The course will introduce a variety of subjects including anatomy and aging, choosing equipment, choosing the right type of training and motivational techniques. (Prerequisite: HLTH1105 Personal Health and Fitness I) (1 credit: 1 lecture/0 lab)
