

Minnesota State College Southeast

WELD 1449: Welding Internship

A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: *.*

Lab Hours/Week: *.*

OJT Hours/Week: 6

Prerequisites: None

Corequisites: None

MnTC Goals: None

This course is designed around a student attaining an internship in a business. The student internship may be paid or unpaid as agreed to between the student and the business. The student will need to demonstrate welding competencies as designed by the instructor and the business. A person from the business will monitor the student's work and will be the judge as to whether or not the student is passing the course or not passing the course. The student will need to demonstrate professionalism and proper welding techniques to pass the course. This course is a PASS or NO CREDIT course. The instructor will maintain bi-weekly contact with the business to discuss the student progress reviews. (Prerequisites: WELD1420, WELD1430) (2 credits: 0 lecture/0 lab/2 OJT)
